

FIND SOMEONE WHO ...

Walk around the classroom. Ask questions from different people. Only if they answer 'yes', write their name down. Then, ask a related question → have a mini-conversation. If they say 'no', ask someone else.

e.g. *Do you enjoy cooking?*

Yes, I do.

How often do you cook?

What type of food do you cook?

Who do you cook for?

...

OR

No, I don't.

Ok, thanks. See you later.
